Work Experience

Oeson Ltd

Jan 2024 – Apr 2024

This was an Intern position in which time I worked on real world projects.

Career Break

Sept 2022 – Jan 2024 I

ran my own business up to this point, communicating and designing components

for the customers' needs. Ceased work due to ill health and am now re-training for a position as Data Analyst.

Projects

Advanced Excel

The project is based on core data showing dates, products, regions and sales.
